SNCG wholeheartedly supports the principles of equality of opportunity and we will strive to ensure that all candidates have equal access to assessment and that they are protected against unfair or unlawful discrimination, unnecessary barriers to assessment or harassment during assessment.

Every candidate will be assessed against the criteria stated within the awarding body's qualification specification, and assessments will be standardised across all assessors.

We will ensure all assessments are set to provide equal opportunity for all to demonstrate their achievement of the required learning outcome and provide timely information to candidates on the assessment regulations especially for those candidates requiring special considerations.

Where the appeals procedure applies to any candidate with a disability consideration will be given to any reasonable adjustment that has been made for that individual.

Scotswood Garden will follow NOCN *Access to Fair Assessment Policy and Reasonable Adjustment Guidance* to ensure all learners have access to fair assessment.

This Access to Fair Assessment Statement was adopted by the Board of Trustees of Scotswood Natural Community Garden Limited at their meeting on 7 May 2013.
